JOB POSTINGS:

Intensivist - Bluewater Health, Sarnia, Ontario

Full time position - 16 weeks a year (Mon-Sun weeks). Starting November 2011

Are you interested in practicing in a brand new state of the art hospital? Bluewater Health offers a 16 bed closed state of the art mixed medical/surgical ICU with continuous renal replacement therapy. Multiple support services are also available. Candidates must have their Fellowship with the RCPSC and be registered with the CPSO. Respiriology training is an asset.

Bluewater Health is a 320 bed hospital operating on 2 sites which includes a recently completed \$319 million redevelopment. The hospital offers excellent medical and diagnostic supports: A broad range of diagnostic services, including CT and MRI. District Stroke Centre Schedule 1 psychiatric unit Full spectrum of specialists available 24/7 (neurosurgery and invasive cardiology not available)

Sarnia was rated the Most Livable City in Ontario by the Pembina Institute (August 2007). Situated on the shores of Lake Huron at the border to Michigan, Sarnia offers excellent quality of life, sports, arts and culture, education, state of the art health care, and beautiful natural environment.

To inquire about this position, please contact:

Dr. Michel Haddad, Acting Chief of Professional Staff mhaddad@bluewaterhealth.ca
519-464-4400 ext 4534.

Funding opportunity for DPAS students and residents

The Faculty of Medicine (FoM) receives Ministry funding to support social accountability and community engagement activities. A portion of the funds is being allocated to assist medical residents and undergraduate medical students to develop and implement projects related to social accountability and community engagement. In addition, collaboration is essential in both of these areas. Funding applications will be accepted from all medical residents/students at all of the geographic sites of the FoM.

Up to \$1000 will be granted to support projects that engage in the study, service, and scholarship of the health priorities of underserved and otherwise marginalized populations in British Columbia.

PADIS Toxicology Conference

November 5, 2011; Libin Theatre Health Sciences Centre, University of Calgary

The Poison and Drug Information Service (PADIS) is pleased to announce that registration for our one-day clinical toxicology conference in Calgary on Saturday, November 5th, 2011 is now open. This conference will allow physicians, nurses, pharmacists, paramedics, and students the opportunity to learn more about caring for poisoned patients. The conference will feature a series of lectures from experts in clinical toxicology, pharmacology, laboratory medicine, and law enforcement.

The day will also include a pediatric toxicology patient simulation session hosted by the Alberta Children's Hospital KidSim program, one of PADIS' partners.

In addition, PADIS is hosting an Open House from 1-5pm on Friday, November 4th. Come meet the staff, join them for their "Question of the Week" educational rounds from 2-3pm, and enjoy refreshments.

The program will also be available online at the University of Calgary Continuing Medical Education website, www.cme.ucalgary.ca. Click the "Courses and Programs" tab on the left hand side to go to the list of conferences, and then scroll down until you find the PADIS conference.

Please note that if you wish to register for any of the simulation sessions, they ask that you please register by fax.
