#### **Quinte Health Care Seeks a Lead Intensivist and Staff Intensivist**

Quinte Health Care (QHC) is a multi-site hospital that provides primary and secondary services to a diverse catchment area of approximately 150,000 people in Hastings and Prince Edward Counties and the southeast portion of Northumberland County. There are currently 253 beds across the four sites of QHC.

The City of Belleville is located on the beautiful Bay of Quinte in southeastern Ontario. The region offers a superb lifestyle, economics, recreation, and a professional environment to make the Quinte region a great place to live and work. For more information and a map of the area, please visit: [www.qhc.on.ca](http://www.qhc.on.ca).

#### **OPPORTUNITIES AT QHC**

Quinte Health Care is seeking a Lead Intensivist and Staff Intensivist for a closed management model adult Critical Care Unit to be launched in the fall of 2010. This service will provide coverage for a newly constructed level III intensive care unit located at QHC Belleville General. The program will be supported by an experienced critical care team including nursing, 24/7 RT coverage, PT, OT, speech therapy, nutritionist and pharmacist.

Support will also be provided by consultants in a wide variety of medical and surgical specialties including anesthesia, cardiology, gastroenterology, internal medicine, oncology, general surgery, orthopedics, urology, gynecology and psychiatry. Full imaging modalities are available including MRI, multi-slice CT scanner, ultrasound, nuclear medicine and PACS.

The QHC Critical Care unit will operate in close conjunction with our tertiary partners at Kingston General Hospital. There will be opportunities for faculty appointment, resident supervision and comprehensive CME via Queen's University.

#### **QUALIFICATIONS**

Lead Intensivist: Will require Royal College certification in Critical Care Medicine plus at least three years experience as Staff Intensivist. Experience with closed management model of delivery would be an asset. Proven leadership ability, excellent communication and team-building skills are essential.

Staff Intensivist: Successful applicants will have Royal College certification and relevant critical care experience. Experience with closed management model of delivery would be an asset. Excellent communication and team skills are essential.

## **MEDICAL DIRECTOR INTENSIVE CARE UNIT** **Rockyview General Hospital**

The University of Calgary and Alberta Health Service's Department of Critical Care Medicine invites applications for a clinical/administrative position at the Clinical Associate Professor or

higher level to provide leadership to the ICU of the Rockyview General Hospital. The successful candidate will have specialty certification in Critical Care Medicine, several years experience in the care of critically ill patients and demonstrated leadership skills. Duties with this position include coordination and organization of service delivery within a multidisciplinary environment, establishment of Quality Improvement initiatives pertaining to care delivery processes within the ICU and Calgary Zone critical care community, participation in educational activities within the Department of Critical Care Medicine and collaboration in integrated Departmental research programs. Rockyview General Hospital has 10 ICU beds and had >450 admissions in 2009. Of those admissions, approximately 73% are medical patients and 25% surgical patients. Ideally, the suitable candidate would commence this role on September 1, 2010.

The Faculty of Medicine has recently built a major new research facility. Calgary is a vibrant, multicultural city (population of 1,200,000) near the Rocky Mountains, Banff National Park and Lake Louise. Alberta Health Services is the largest fully integrated health care region in Canada, offering complete services at all levels. Other qualifications include an MD, with specialty training in Critical Care Medicine, eligibility for full licensure in the province of Alberta, as well as an established reputation for excellence in clinical care and scholarly pursuits. Previous medical administrative experience is highly desirable.

Please submit a curriculum vitae and a statement of research interests and arrange to have three letters of reference sent by **August 31, 2010** to:
